TRY YOUR APP

Hi Elysia

Your second round of notes is in. This link is the **practice version**: made-up clients, no real payments, no emails. Try anything; you can't break it.

reform-pilates-seven.vercel.app

On your phone: open the link, then in the browser menu tap **Add to Home Screen** to use it like an app. It updates by itself.

WHAT'S NEW your second round of notes

Events, your way

For each event you choose the **picture**, date, title, place, price and spots ("3 of 8 spots left"), an optional **What to bring**, and **your own terms**. Make it **clients only** and others see it blurred. Past events become an **archive** with sliding photos and your words.

Health questions in two steps

First a **tick-list** (back pain, knee, recent surgery, pregnancy..., or "No injuries"). Then **Next** for details, pregnancy (how many weeks / how long ago) and blood-pressure medication. A **doctor's note** is asked for after recent surgery, pregnancy, or a birth in the last 3 months.

Packages and Account

Packages one per line ("4 classes · €70", small "4 credits"), grouped by "valid 30 days" / "valid 60 days", with the **6-hour rule** in the terms. Account is in **drop-down sections**. "PAR-Q" is gone.

Cleaner pages

The Studio is one gallery of your photos plus optional text. No colour strip on class slots (colour only on the spots badge). No "grip socks" line after booking.

I · TRY IT AS A CLIENT about 4 minutes

1. Tap **Secure your package**, choose Reformer or Mat and how many times a week.
2. Sign in with **any email**. In the practice version the code fills itself in: just tap **Continue**.
3. Fill in your details once: name, phone and **date of birth**. Then the **health questions**: tick **Recent surgery** or **Pregnancy**, tap **Next**, and see the doctor's-note message.
4. Look at the package list (one per line) and the terms with the 6-hour rule. Choose **Cash** or **Revolut**, tick the box and **Request package**.

5. Mark it paid in the studio part (step 2), then come back and book from the **Schedule**, or tap **Every week** on the home page.
6. No package? Open any class and try **Book your trial**.
7. Cancel a class from **My classes** and see it go back into your package.
8. Open **Events** from the home page. As a new client, *Brunch & Pilates* is blurred (clients only). Open *SUP Pilates* to see What to bring and its own terms.
9. Open **Account**: tap each section to open it.

To see a regular client, sign in as **elena@example.com**: a current package, a finished one (5/8), receipts, and the clients-only brunch unlocked.

2 · RUN YOUR STUDIO about 4 minutes

1. On the same link, sign in with **elysia.stephani@gmail.com** and the **studio password** we sent you separately.
2. **Today:** under *Awaiting payment* you see how each client said they'll pay. Tap how they paid (or **Remove** if they're not coming) and their classes appear. Next to names you'll see *Birthday*, *First class*, *Trial*, *Drop-in*, *Under 18*, *No photos*, and *Doctor's note needed* (Maria has one; tap *Health info* to read her answers, only you can see them, and **Doctor's note received** on her client page once you have it). Tap the circle to check someone in.
3. **Classes:** add someone from your DMs, remove someone, or cancel a class (everyone is told and gets their class back). Set next month in **Monthly timetable**; holidays in **Holidays & closures**.
4. **Make an event:** Classes → **New class** → *Special Event*. On its page open **Event options** (clients only, what to bring, your terms, a few words for afterwards) and add a **background picture** under **Event photos**.
5. **Clients:** their details, emergency contact, notes; give a class back; mark a student (10% off).
6. **Settings** starts with **Before your first client**: a short list of what's still missing. Below it: **Photos** (The Studio gallery), **Package prices**, **Your texts** (Studio text and Events intro, leave empty to hide), **Studio team**.
7. **Settings → Messages** shows every email the app sends, and **Automatic reminders: last ran a few minutes ago** (they go out on their own every 5 minutes).
8. **Settings → Reset demo data** puts the practice version back to the start.

3 · YOUR REAL APP

Your real app is live at **book.reformpilatescy.com**, separate from this practice version so made-up clients never mix with real ones. **Emails are switched on**: clients get their sign-in codes and reminders from your studio address, and replies come to rf.reformes@gmail.com. Before clients join, two things:

- **Your details**: sign in with your email (a code arrives by email) and fill in Settings; it shows exactly what's missing.
- **Your timetable** for the coming weeks, and your photos.

Then we invite 3–5 regular clients for a week before putting the link in your Instagram bio.

4 · WHAT WE NEED FROM YOU

Tick what you've sent. Voice notes and screenshots are perfect.

New questions (we used the answer in brackets for now)

- [ ] Clients-only events: who counts as a client? (anyone who has paid, been given classes or come to a class; a trial booked but not yet taken doesn't count)
- [ ] Cancelling an event: your own terms show, but the app still uses the 6-hour rule. Should events have their own cutoff, e.g. 48h? (6 hours)
- [ ] The Studio text: above the photos or below? (above)
- [ ] Clients-only events: someone with the direct link can read the details but can't book. OK? (yes)

Still open from last time (answer in brackets for now)

- [ ] "2 per week": a strict 2 each week, or 8 classes to use within the month? (8 within the month)
- [ ] Trial: once per person for reformer and once for mat? (yes, also matched by phone number)
- [ ] Do you take clients under 18? If yes, should a parent confirm at sign-up? (allowed from 12, flagged "Under 18")
- [ ] Your original logo file (PNG or PDF, as big as possible)

Your classes

- [ ] Your timetable (days and times), including weekends
- [ ] Mat classes: which days, how many people max
- [ ] Upcoming events: you can now add them yourself (see step 2)

Payments

- [ ] Your Revolut link (revolut.me/...)
- [ ] Name on your bank account and IBAN

About you and the studio

- [ ] Your full name (shown at the bottom of the site, required by law)
- [ ] Studio address and parking tips
- [ ] Phone and email clients should use
- [ ] A few lines about you for "The Magic" (a voice note is fine)

Photos

- [ ] The studio: any photos of the space, in one gallery
- [ ] You, for The Magic
- [ ] Only photos you're happy to use, with permission from anyone in them (you can upload them yourself in Settings → Photos)

Your opinion

- [ ] What felt confusing or too much?
- [ ] Anything that doesn't sound like you?
- [ ] What do you do in DMs today that the app should also do?
- [ ] Anything missing before you'd use it with real clients?
