YOUR RE·FORM APP

Book your classes, keep track of your package and get the studio news, all from your phone. Here's how it works.

Tip: open the link on your phone, then in the browser menu tap **Add to Home Screen**. The app gets its own icon and updates by itself.

4 · Book a class
5 · Same days every week
6 · Waitlist
7 · Cancelling
8 · Events

1 CREATE YOUR ACCOUNT

1. Tap **Secure your package** on the home page (or **Create account** on the sign-in page).
2. Fill in your name, surname, date of birth, email, mobile number and a password (twice). Classes are for adults: you need to be 18 or over.
3. Choose whether we may share photos of you from class, accept the Studio Rules, Payments & Cancellation Policy and Terms, and tap **Create account**.
4. We email you a short code. Type it in and tap **Confirm**. You only do this once.
5. Answer the **health questions**. Only your instructor sees them, and only to keep you safe in class.

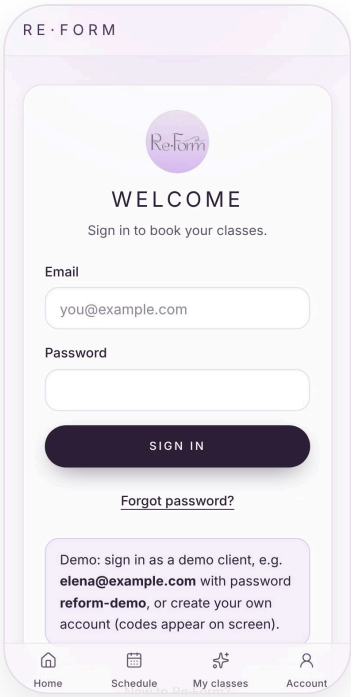

2 SIGN IN, OR FORGOT YOUR PASSWORD

Sign in with your **email and password**. Your phone can remember them for next time.

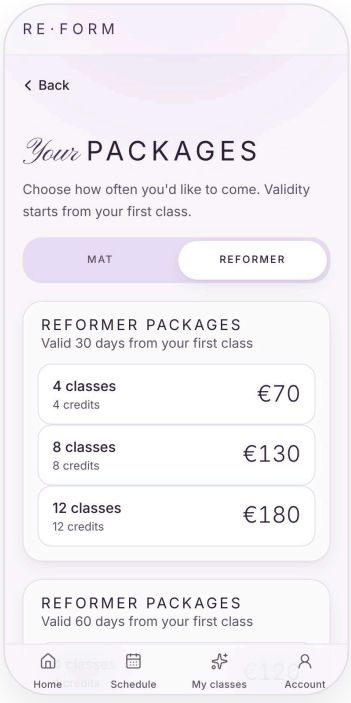

Forgot your password? Tap **Forgot password?**, enter your email, and we'll send you a code to set a new one.

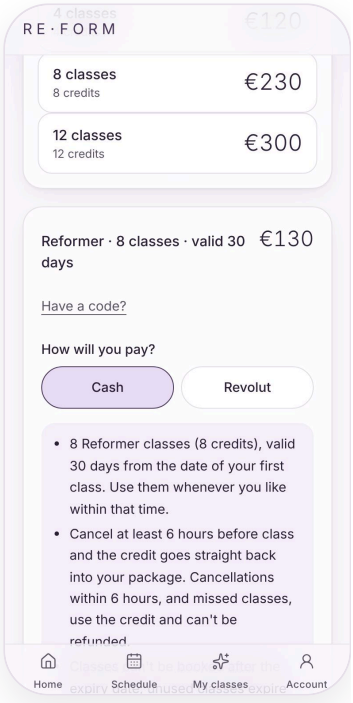

> If you booked with us before the app had passwords, use **Forgot password?** once to set yours.

3 CHOOSE A PACKAGE

1. Tap **Secure your package** and choose a tab: **Mat**, **Reformer** (and any new options the studio adds).
2. Pick how many classes you'd like. A package lasts 30 or 60 days **from your first class**, so it doesn't start until you come.
3. Have a discount code? Tap **Have a code?** and type it in. If the studio gave you a reward, it's already applied.
4. Choose **Cash** or **Revolut**, read the package terms, tick the box and tap **Request package**.
5. Pay your instructor. As soon as she confirms the payment, your classes appear in **My classes** and you can book.

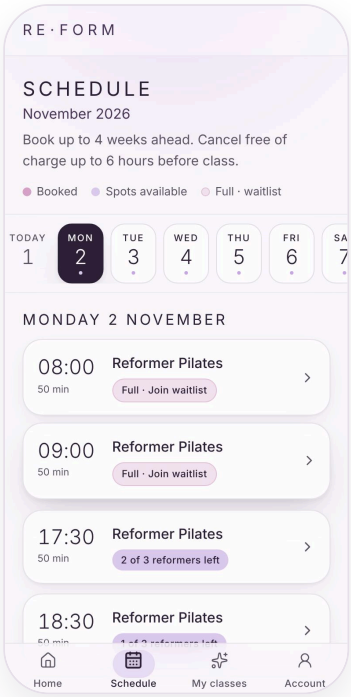

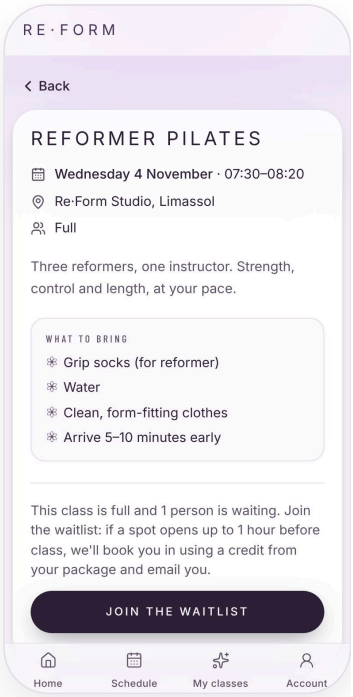

New to Re·Form? Under the packages you'll also see a **trial** (your first class of that kind) and a **drop-in** (one class). Book those straight from a class on the schedule.

4 BOOK A CLASS

1. Open **Schedule** and swipe through the days. You can book up to 4 weeks ahead.
2. The colours: **lavender** means spots available, **pink** means you're booked, and **pale pink** means full (join the waitlist).
3. Tap a class, then **Secure your spot · 1 class**. It's taken from your package and you get a confirmation email.
4. No package yet? Choose **Book your trial** or **Drop-in**, pick cash or Revolut, and pay before class.
5. Tap **Add to calendar** so you don't forget.

A Reformer package books Reformer classes, a Mat package books Mat classes, and so on. The class page tells you if your package isn't for that class.

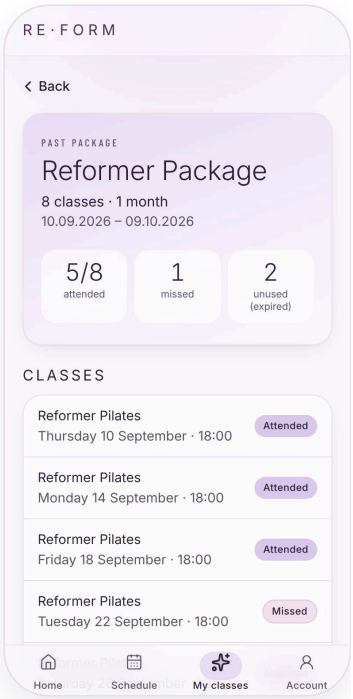

5 SAME DAYS EVERY WEEK

Always come on the same days? Open **My classes**, tap your package, then **Book the same days every week**. Pick your days and times and we'll book them every week while your package lasts.

If a class is full one week, we skip it and email you a link to join the waitlist. You can still cancel any single class as usual.

6 WAITLIST

When a class is full, tap **Join the waitlist**. You'll see your place ("You're 1st on the waitlist..."). If a spot opens **more than 1 hour** before class and you have a class left in your package, we book you in automatically and email you. In the last hour before class nobody is moved in.

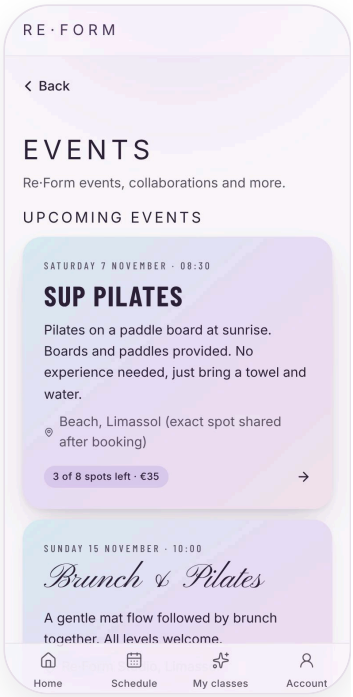

7 CANCELLING

- Open **My classes**, find the class under **Upcoming** and tap **Cancel**.
- **6 hours or more before class:** the class goes straight back into your package.
- **Less than 6 hours before, or not coming:** the class is used. Please still cancel, so someone on the waitlist can take your spot.
- If the studio cancels a class, your class always comes back to you.

8 EVENTS

Tap **Events** on the home page to see what's coming up (SUP Pilates, brunch and more). Events are paid individually and don't use your package.

- Some events are **for clients only**: they show as "Clients only" until you have an active package.
- **Free events** are booked with one tap.
- Some events ask you a short question when you book (for example, dietary needs).
- Events can't be cancelled in the app. If you can't make it, message the studio.

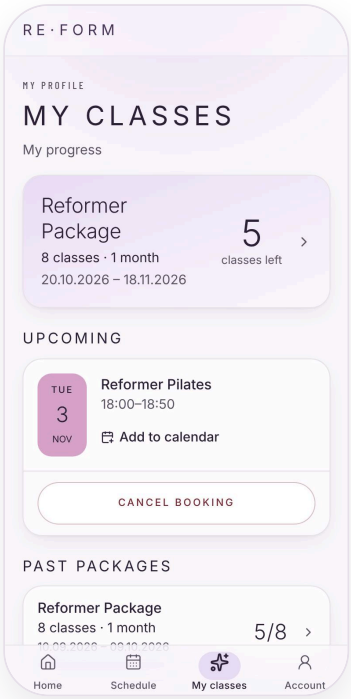

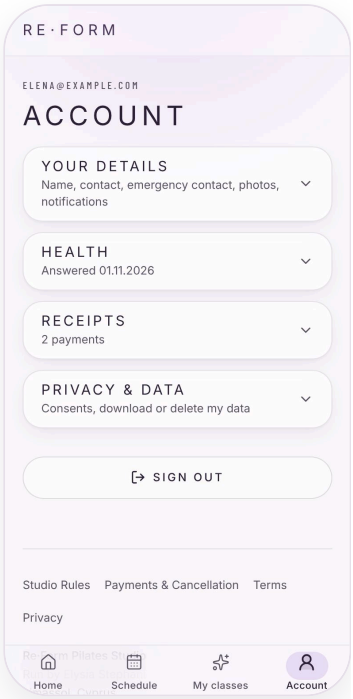

9 MY CLASSES AND ACCOUNT

My classes shows your current package (how many classes you've used and how many are left, and when it ends), your upcoming classes, anything waiting for payment, and your past packages.

Account has drop-down sections:

- **Your details:** name, mobile, date of birth, emergency contact, photo choice.
- **Health:** update your answers any time (only your instructor sees them).
- **Receipts:** a receipt for every payment.
- **Notifications:** turn class reminders on or off.
- **Privacy & data:** download your data or delete your account.

10 RULES AND POLICIES

Tap **Rules & policies** on the home page, or the links at the bottom of any page, for the **Studio Rules**, the **Payments & Cancellation Policy** and the **Terms**. In short: arrive 5–10 minutes early, bring grip socks for Reformer, tell your instructor about any injury, condition or pregnancy, and packages are personal.

Questions? Message the studio on Instagram **@re_form_es**. See you on the reformer!
